About This Game

Allwheel.online gives the player the opportunity to feel like a rally car pilot, as well as independently or in company with friends to overcome off-road relying on their skills and mutual assistance.

System of deep car tuning.

Adjust the suspension, wheels, engine, and almost anything to ensure optimal results during the race.

An integral part of the game and its main feature is the contract system. A contract is a agreement entered into by a player with an in-game company, an existing community of players (clan), or other source. This contract provides the player with in-game currency, discounts for upgrades or higher-quality modules, but requires them to fulfill certain conditions, such as taking prizes in future races or not cooperating with other sponsors. For non-fulfillment of a contract, certain penalties are imposed on the player, either in exchange or limiting the possibility of concluding new contracts.

Clans.

Team up with friends to help each other, compete together in championships and form the strongest team in Allwealon.online!

Create your own rallying team.

Best specialists will enhance your cars performance, and together with your skill lead your team to success with each season.

Game mods.

Weekly and monthly tournaments, short 5-7 minutes races or half hour-long marathons, everyone can find here place he wants to be in.
